Sir:

This communication is responsive to the final Office Action mailed October 21, 2003 (paper no. 13). The summary sheet of the Office Action states that the shortened statutory period is 2 months. However, Applicant's representative spoke with the Examiner on October 23, 2003, and the Examiner informed Applicant's representative that the 2-month period is a typographical error and that the actual shortened statutory period will run for **three (3) months**.

Please amend the above-identified application as follows.
